Legal Tools

Policy Framework on Forest Resources Mgt

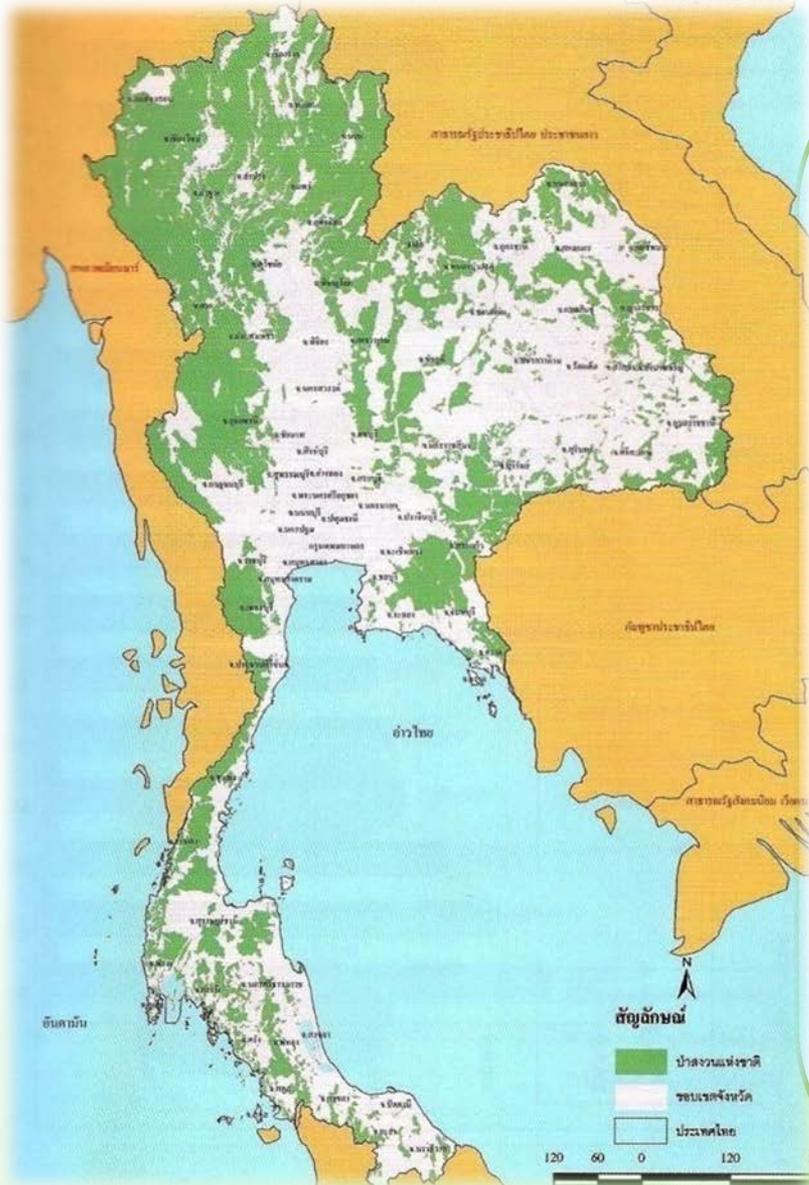

- National Economic and Social Development plan (NESDP No. 12)
- National Council for Peace and Order (NCPO) no.64/2014, 66 /2014 and NCPO declaration no. 106/2014
- Policy of Prime Minister
- Urgent Policy of Minister of MNRE
- National Master Plan for the Protection of Forest Resources

Legal Tools

Forest laws

- **Forest Act B.C. 2484 (1941)(amended in 1948, 1982 and 1989)**
- **Wildlife Preservation and Protection Act B.C. 2503 (1960) (amended in 1992)**
- **National Parks Act B.C. 2504 (1961)**
- **National Forest Reserve Act B.C. 2507 (1964)**
- **Reforestation Act B.C. 2535 (1992)**

Forest cover

Forest Resource situation in Thailand

In 1961, a total forest area in Thailand was app. 53% of its total area.

Current existing forest area ~ 32.7% (16,320,000 ha)

National Forest Cover Target 40%
(20,480,000 ha)

- Conservation Forest 15% + Production Forest 25%
- More Forest cover ~ 7.3% (4,160,000 ha)

Conceptual Framework on Community Forest Implementation

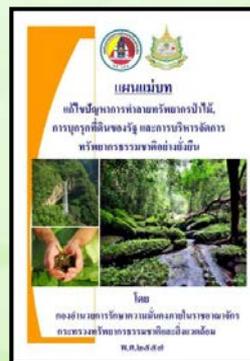

Royal's initiatives

**Government
Policy**

Ministerial policy

Master plan

Approach

People Public Private Partnership (PPP policy)

To encourage multi stakeholders **participation**

COMMUNITY FOREST ESTABLISHMENT FROM 1999 – 2017

Target

21,850 Projects

1.6 m. ha

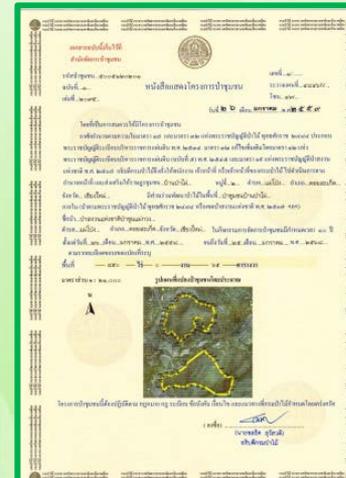

Now

30 SEP 2017

10,415 Villages

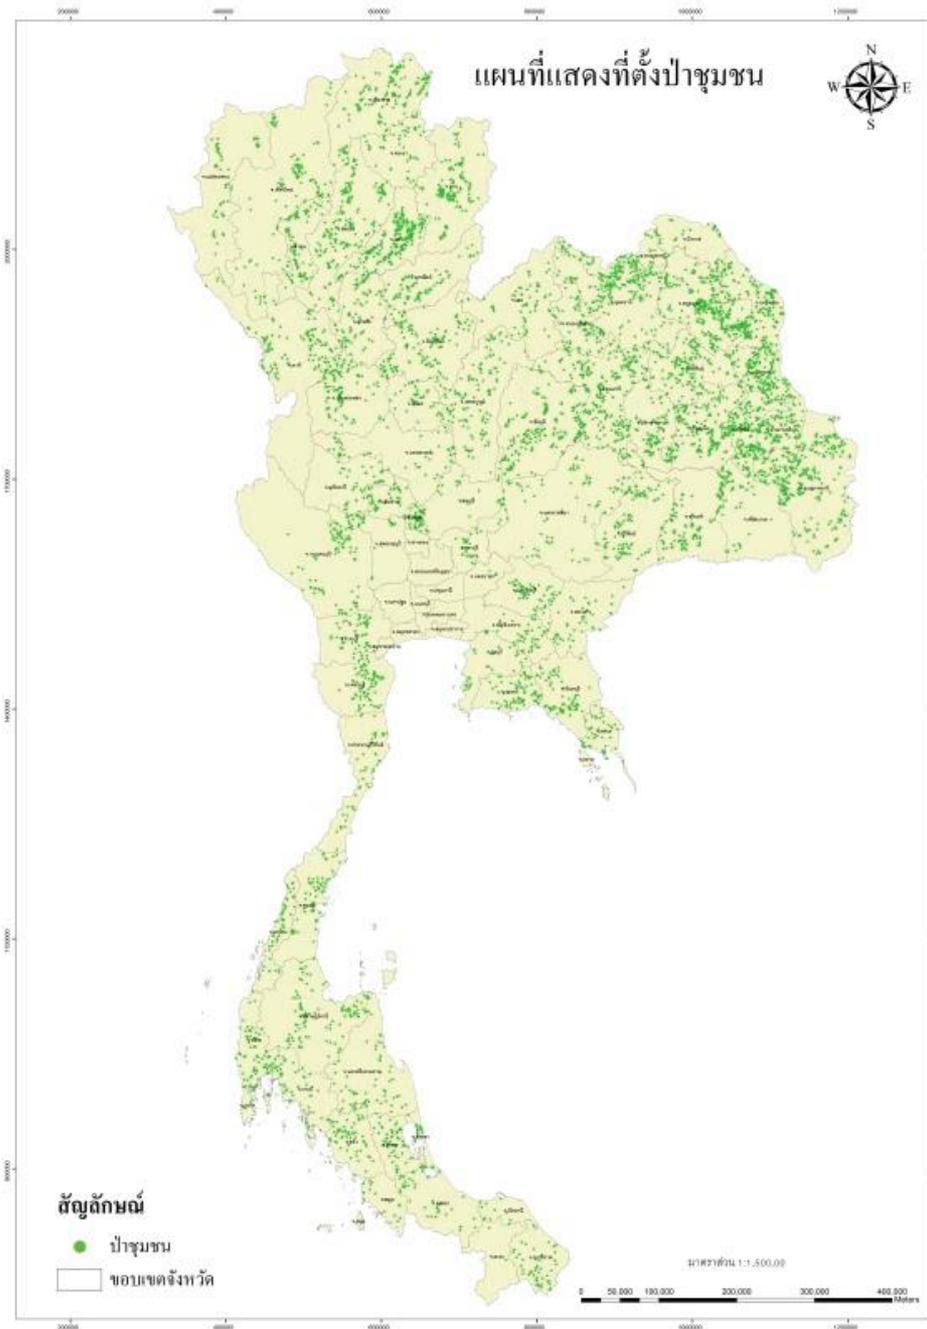

908,800 ha
