

Sharing Experiences from ASEAN Countries: Developing Country Approaches on NDC Target Tracking and Capacity Building Needs

Date: Monday 9 December, 2019

Time: 13.30-15.00 hrs.

Venue: Thai Pavilion

Aims to address these topics

- Where are we in terms of country preparation for domestic MRV framework to enable effective tracking of NDC target? How far are we progressing from pre-2020 mitigation/NAMA era?
- What efforts have been done to track mitigation efforts by non-state actors (private sector)?
- What are the remaining challenges to operationalize domestic MRV framework for each country? What kind of capacity should be further strengthened for MRV to serve its purpose more effectively?
